

The Birth and Rebirth of American Labor

2019 Conference of Georgist Organizations
Sheraton Station Square, Pittsburgh
Tuesday, July 23 – Saturday, July 27

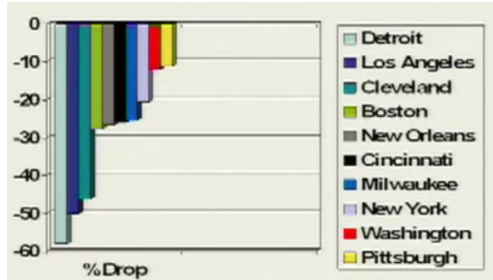

Tuesday evening, July 23

6:30 PM – Registration

7:15 PM – **Welcoming Reception:** Meet Josie Faass, PhD, Robert Schalkenbach Foundation's new executive director. Also, **How Pittsburgh got land value tax, how we lost it, the housing bubble that followed, and what we can do to get it back.** Dan Sullivan and invited guests.

Built in 1913, just as LVT was going into effect, the Kaufmann-Baer Department Store was one of the most lavishly ornate buildings in the city, complete with a rooftop garden. It is now the Heinz 57 Center.

By 1925, the peak year of the bubble before the Great Depression, land value tax was producing over 80% of Pittsburgh's revenue. When the crash came, land values fell less in Pittsburgh than in any other major city.

Pittsburgh's First Housing Bubble in a Century:

Best Facilities: Our dining hall looks directly across the river to the Golden Triangle, and the sleeping rooms and our hospitality room are large and well appointed.

A Great Deal: This hotel is normally way beyond our price range, as it is cherished as a wedding hotel on Saturdays and Sundays and as a business hotel outside of vacation season. By leaving Saturday morning and not interfering with their wedding business, we got far better room rates than would normally be possible. Rooms are \$129 plus 14% tax per night for up to four people.

Room Reservations: Reserve your room by calling Sheraton Station Square 800-325-3535 **by June 25**, and note that you are attending the CGO Conference, or you will be charged a higher rate and we will not make our room minimums. Our room rate guarantee expires on June 25.

The Hotel Shuttle's direct number is (412) 593-8129.

The shuttle will get you to and from the Amtrak station, the Megabus and Greyhound stations, and the drop-off point for the Airport Express bus.

It will take you to the Wyndham Hotel just across the river. Call the airport shuttle and they will pick you up at the Wyndham. The fare is \$2.75 each way, but free for people with ID and proof of age over 65.

You can also take the **Super Shuttle** for premium service. The fare varies according to booking, but is usually around \$25-30 for a shared ride and \$50-55 for a non-stop ride directly to the Sheraton. You can get a discount of 5-10% by booking online at

"The law of rent never changes, but our schedule may change without notice." – Lindy Davies

Lindy Davies, Oct. 9, 1957 – April 9, 2019

Lindy was the long-time director of the Henry George Institute, continuing the work of HGI founder Bob Clancy, co-founder of Common Ground NYC, dedicated volunteer to the CGO conferences, and enthusiastic teacher and promoter of the Geogist philosophy and economics.

He was taken from us by metastasized esophageal cancer, but continued with his calling even during its final stages.

He is survived by his wife, Lisa Cooley, his son Eli and his daughter Francie. Unfortunately, he is also survived by nearly \$80,000 in medical bills that insurance did not cover. If you want to help, you can send us a check written to Lisa Cooley, or log onto [gofundme.com](https://www.gofundme.com) and do a search on “Lindy Davies, Brooks ME.”

We will have a memorial tribute to Lindy at the conference on Thursday afternoon. Lisa plans to attend.
