LET US RALLY TO THE CALL!

Dear Singletaxer:

The Henry George Association of Denmark have issued a call for an International Single Tax Conference at Copenhagen July 20 - 31, 1926.

Those who attended the Oxford Conference in 1923 will realize the greater importance of every American Singletaxer going this year, the most critical, perhaps, of the world's history. The opportunity presented is radiant with promise.

Singletaxers will be there from every quarter of the globe. Great Britain will send a strong delegation (Outhwaite, Owen, Peace, John Paul, Warriner and others.) The leaders in the Single Tax movement in America will attend. It will be an inspiration to us all to meet together as fighters for a free earth on whose banner is inscribed "LAND AND FREEDOM."

The Commonwealth Land Party is co-operating to make this conference a success and Singletaxers, whether members of the Party or not, should bend every effort to make the trip and add their influence to the great effect the Conference will have on world thought.

We have selected the United States Lines S/S "Republic" sailing eastbound July 3rd and the S/S "Leviathan" August 10th returning from Cherbourg. The main tour will cost Four Hundred, Eighty-two Dollars (\$482.00) and this includes the round trip ocean fare (\$180.00 plus \$5.00 tax.) The optional tour via Scotland will cost Four Hundred, Fifty-six Dollars (\$456.00), which includes round trip ocean fare (\$176.00 plus \$5.00.)

You will find full details in the circular enclosed. But it is necessary to emphasize the importance of prompt action. The Committee has reserved a number of staterooms and berths through Wagner's Ocean S/S Agency for a limited time only, so if there is any idea in your mind of taking this trip, send us Fifty Dollars (\$50.00) deposit for each member of your party at your earliest opportunity.

Make checks payable to Wagner's Ocean S/S Agency and forward same to the Singletax Conference Committee, 700 Rose Building, Cleveland, Ohio.

SINGLETAX CONFERENCE COMMITTEE.

James Bruce Lindsay,
Chairman.
