**The Council
of Georgist Organizations**

19th Annual Conference

Gaithersburg, Maryland

July 8 - 11, 1999

Washington DC. The most important political decision center in the world. A powerful fortress with closed doors. But this July, we'll be throwing those doors open. Georgists will come to Washington DC and will be joined by journalists, politicians, lobbyists and students at a major conference — to focus the light of publicity on Georgist reforms.
