Dear Mr. Shaw

I was glad to receive your tax material: it makes a good case. Your concentration on specific details ~~are~~ a welcome addition to ~~study~~ them. H.G. needs both of them. It is rewarding to see that the movement is still relevant.

I have not done very much myself —  
after all, I'm 92...

Please pardon the writing — it is a witness  
to my years.

Cordially yours,

George R. Sizer
