

EMBRACE CHANGE

AT THE HENRY GEORGE SCHOOL OF SOCIAL SCIENCE

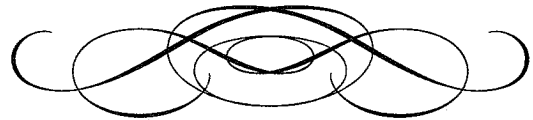

About the Henry George School of Social Science in Chicago

The Henry George School of Social Science advances economic literacy by offering classes and lectures to Chicago area residents and students. Founded in 1932, the Henry George School focuses on:

- ★ *Economic History*
- ★ *Classical Economic Theory*
- ★ *Political Economy*
- ★ *Political Theory*
- ★ *Public Policy*
- ★ *Current Events*

Are you interested in public policy, politics, or economics? Would you like to advance your knowledge of theory while applying your study to real world problems? Sign up for one of our classes (or attend one of our lectures), and you will be introduced to new and challenging ideas, as well as opportunities for political involvement in your community.
