

To the Members of the Massachusetts Single Tax League:

Mr. Lincoln Steffens, just back from a long visit to Russia, and well known to our members as a member of the Joseph Fels Fund Commission, is to lecture in Tremont Temple, Boston, Saturday, Oct. 13, 8 p. m. on "The Russian Revolution", tickets 25c. 50c. 75c. and \$1.00.

It has not been practicable to arrange any special meeting for our League alone with Mr. Steffens during this visit of his to Boston, but we are sure that our members will be glad to be informed of this lecture, not only as a chance to learn of Russian affairs from an eye witness, well fitted to speak from our point of view, but also as a chance to greet Mr. Steffens after a long absence from Boston. It is understood that Mr. Steffens is to leave Boston that night to attend a meeting of the National Single Tax League Executive Committee; but it is likely that there will be a few moments after the Saturday evening lecture in which Mr. Steffens can receive personally the greetings of members of our League.
