Mr. Oscar H. Geiger,
403 West 154th St.,
New York, N. Y.

Dear Mr. Geiger:

At the luncheon meeting of the Advisory Committee of the Henry George School of Social Science in New York City on April 15th, steps were taken toward organization and incorporation.

Professor John Dewey accepted the position of Honorary President, and the names of members elected as the Board of Trustees appear at the head of this letter. The Hon. Frederic C. Howe was elected Chairman of the Executive Committee. We hope these selections meet with your approval.

It was also decided at the meeting to send out a general appeal for funds, and this is herewith submitted to you as a member of the Advisory Committee.

Not only are we pleased to be able to report progress in the work of the School, but the success it is having in attracting college and high school students, and the interest that these students are manifesting by their continued attendance and by their participation in the discussions at the meetings, demonstrate that the School is on the right track and that only the proper support from Henry George followers is needed to make every hope and every aim we have an assured success.

Yours for the Cause,

Trustees, HENRY GEORGE SCHOOL OF SOCIAL SCIENCE
