To the Readers and Friends of the Public, Greeting:

We are writing you today in regard to Mr. Judson Grenell's little booklet, entitled, "THE SINGLE TAX—WHAT IT IS AND WHAT IT WILL ACCOMPLISH." Nearly two hundred thousand copies of this booklet have been printed and circulated throughout the United States and Canada during the past few years. This is probably the largest circulation of any booklet or pamphlet issued in the United States on the Single Tax. This

little book seems to meet all the requirements for effective propaganda literature.

BISHOP CHAS. D. WILLIAMS of Detroit says: "It is clear, succinct and practical, and goes directly to the point."

THE SINGLE TAX REVIEW of New York writes: "An admirable and seemingly faultless statement of Single Tax principles, couched in language and reasoning that seem to us the essence of simplicity."

MR. CHAS. H. INGERSOLL of New York City has written: "I have been charmed with your little booklet. I consider it the real goods."

About a year ago the HENRY GEORGE LECTURE ASSOCIATION published an edition of one hundred fifteen thousand copies of this booklet. About one hundred thousand copies of this edition have been distributed.

We wish here to call your attention to this booklet and solicit your orders for same. The booklet contains 18 pages of questions and answers with a supplement of 3 pages principally of statistical matter. It answers eighteen of those everyday puzzling questions that arise in the mind of the citizen seeking information on the Single Tax. It is well printed on good white paper with an attractive cover page. The size is $5\frac{1}{8} \times 3\frac{3}{8}$, making it an ideal booklet to mail in a letter. It is neat and attractive and immediately invites attention. Every Single Taxer should have a quantity of these booklets on hand and be prepared to present a copy to a friend or stranger should a discussion on economic questions arise. **WE SHOULD DISTRIBUTE ONE HUNDRED THOUSAND COPIES OF THIS BOOKLET EACH MONTH. WILL YOU HELP BY SENDING IN YOUR ORDER TODAY?** *Price 50c per dozen, 50 copies for \$1.50, \$2.50 per 100.* Special quotations given on quantities of 1000 or more.

A sample copy will be mailed free on request.
