Activities of The Manhattan Single Tax Club

THOUGH the club is active in correspondence, sending out literature, and its president is addressing such service clubs, church and civic organizations as he can get opportunities to, the principal activity, at present, is the president's radio addresses; in fact, Mr. Ingersoll's acknowledged interest in the past year or two has been mainly in stabilizing and standardizing his messages to the general public, delivered through the microphone.

Mr. Ingersoll believes that through this channel, the Georgeist movement has an open door to widespread propaganda—at least as extensive as Father Coughlin's; and he is bending every effort to the perfection of technique: first, in making statements that are free from obscurities, and that effectively connect our simple philosophy with the uneducated mind. Second, associating the message with familiar events; and without dragging Single Tax in by the ears. Third, technique of delivery and relationship with stations.

Mr. Ingersoll is determined to have a medium for reproducing his broadcasts, especially for the few friends now supporting his work.

The current schedule is given here; it averages about twenty broadcasts weekly, requiring six originals, the preparation of which requires a minimum of five hours each.

Report of Robert Schalkenbach Foundation

FOLLOWING the printing of the letter of Lord Snowden in the last issue of LAND AND FREEDOM, it was decided to reproduce the message in full, in circular form, so that it could be broadcast to the best of our ability among people whose interest in free trade and the land question might be awakened. A total of 11,000 people were circularized, this list including our Single Tax friends of the movement who have been interested in the books of Henry George, high school teachers, librarians, editors and many of the new students who have gone through classes in "Progress and Poverty." As a result, we have received hundreds of interesting letters and a demand for "Protection or Free Trade" as well as other writings of Henry George.

At the request of the Alumni Council group in Cleveland, Mr. Byron C. Taylor, Secretary, we circularized a list of ministers in Cleveland, writing a special letter calling attention to the pamphlet "Moses." Copy of this pamphlet was sent with each letter and some fine replies were received. The Alumni Council supplied one half of the expense of this work, the Foundation meeting the other half. This is one good way of doing constructive work under the guidance of alumni groups. A plan is evolved, the local situation is developed, and the Foundation then helps to the extent that it can in the furtherance of the project. It is on this basis that we have continued to supply the libraries of Georgia in conjunction with the generous gifts that Mr. H. C. Harris has made, in placing Henry George books in every library in the State of Georgia.

Likewise, recently a list of Rabbis in Bronx County were supplied with the pamphlet "Moses" at the suggestion of Mr. Edward Polak. Mr. Walter Mendelson of Germantown suggested gifts of books to certain libraries in Shadyside and Neffs, Ohio, which are for the aid and information of the coal miners—a project which is sponsored by the American Friends Service Committee for coal areas.

The opportunities to individual Single Taxers as well as to alumni groups who, graduating from one of the Extension Classes, are looking for constructive things to do, are numerous. Libraries, both educational and public, need more copies of Henry George's books. An alumni group can combine, or an individual can offer to give a certain amount towards the placing of books in these libraries. Groups in the community can be circularized with appropriate pamphlets and literature.

Graduates of classes can train themselves to speak before civic organizations, and, since we often have requests for speakers, we will be glad to hear from those who will volunteer to speak in their respective communities.

Recently, Mr. Elwood Lewis of Northport, N. Y. asked us for a speaker for the Rotary Club of Northport, and
