fearlessly with the most vital questions that can to-day interest the American citizen. I know of no other work presenting so vivid and unsparing a picture of American life as it may be seen to-day as do Mr. George's chapters on how our princes live, on their amusements and dissipations, and on the physical, mental and moral deterioration of the masses.—*Prof. Franklin H. The son, with *The Menace of Privilege*, has extended the father's *Progress and Poverty* down to date.—*The Public.*
